Experience

Freelance Web Developer

Feb 2025 – Current

- Completed 5+ responsive and SEO-friendly websites for clients across e-commerce, local discovery, and portfolio domains, resulting in a 30% increase in client satisfaction and repeat engagement
- Managed full project lifecycle, including requirement gathering, UI/UX design, development, deployment, and client onboarding for content management

Frontend Developer

Internship

NearDekho - Local Discovery Website

Sep 2024 – Jan 2025

- Collaborated with stakeholders to implement UI/UX designs and enhance overall site functionality
- Applied SEO best practices, resulting in a 20% increase in organic traffic within three months
- Contributed to code reviews and team discussions, fostering continuous improvement and collaboration

Projects

Sri Lakshmi Warehousing

[SLW](#) 

- Developed a responsive corporate website for Sri Lakshmi Warehousing, showcasing warehousing services, infrastructure, and company profile with a clean and modern UI
- Integrated essential business features including contact forms, location details, and call-to-action sections to enhance user engagement and lead generation

HimSpices

[himpices.com](#) 

- Developed a fully functional e-Commerce website featuring product listings, dynamic cart, checkout system, and WhatsApp-based order placement
- Implemented responsive UI using Tailwind CSS and integrated product zoom, pricing options, and FAQ sections for enhanced user experience
- Built backend with Django and SQLite, enabling admin-level product management and seamless order tracking

Ghaziabad District Boxing Association(GDBA)

[gdba.in](#) 

- Designed and developed a responsive and visually engaging website for the Ghaziabad District Boxing Association to showcase players, events, and achievements
- Built interactive components (carousel, modals, timelines) using JavaScript and optimized responsive layouts with Tailwind CSS for consistent cross-device experience.
